Itinerary

KASPI, UPLISTSIKE, ATENI, SAGURAMO

9:00 Pick up from Tbilisi hotel.

Drive to a wine cellar of [Merebashvili's Marani](#), in a small town Kaspi. The host follows traditional technologies for producing, fermenting and storing unique artisan natural wines in underground qvevri vessels. The tour takes place in the vineyards, where the oldest and endemic grape varieties (Chinuri, Tavkveri, Goruli Mtsvane, Shavkapito, etc.) are cultivated. Wine tasting is arranged by family.

Drive to **Uplistsike**, the ancient cave settlement in Georgia. The unique wine cellar is cut in a sand rock, on the territory of [Uplistsikhe Museum-Reserve](#). The wine cellar is roofed in a mixed style of Meskhetian "wooden crown" and the flat Bany roof and includes two areas: Qvevri cellar (clay pitchers) wine storage and a tasting area. The yard is decorated with vine terraces. Tasting includes natural wines produced from local vine varieties (Khidistauri, Atenuri, Chinebli and Tavkveri).

Next village to visit is **Ateni**, just in 15 km from the town [Gori](#). Ateni is the only appellation micro zone of the [Kartli](#) region, distinguished with the wine "Atenuri" (sparkling white wine, blend of Chinuri, Goruli Mtsvane, and Aligote grapes). Visit two wineries [Chateau Ateni](#) and [Vacheishvili Rural House](#), get introduced with the winemakers, see the vineyards and taste red and white wines.

After exploring the unique [Kartli](#) grape varieties head to **Guramshvili's Marani** (wine cellar) in the village Saguramo, operated by the [Kakheti](#) Traditional Winemaking company. The tour includes traditional wine cellar, classic wine-making section, bottling and laboratory section. Here, visitors have a chance to see the handmade production method of sparkling wine (French Champagne). Taste 3 types of [Kartli](#) wines.

From Saguramo, drive back to Tbilisi.

At the end of the day, we drop you off at the hotel.

Have a lovely evening!
