The tour starts at 09:00

The guide will pick you up from the lobby of **Kutaisi** hotel.

Drive east through the picturesque **Rikoti Pass** between the Likhi Range, a natural watershed of river basins of the Black and Caspian seas. The ride to the Rikoti Pass takes about an hour and ends through a 1,772 m long tunnel. After tunnel, locals call the area East Georgia. Drive along the river [Mtkvari](#) to the spa-town **Borjomi**. Borjomi is famous for [Borjomi-Kharagauli National Park](#) and its mineral waters. Take a walk in the Central Park, taste bubbling mineral waters coming right from the springs.

Continue the trip to [Akhaltsikhe](#), the main town in [Samtskhe-Javakheti](#) municipality. Visit historical district **Rabati**, Castle and fortress. [Samtskhe-Javakheti](#) History Museum is located inside the fortress and has wonderful collection of manuscripts, archaeological, numismatic and ethnographic artefacts (extra charge). The next site to visit today is [Vardzia caves](#). Established in the 12th century, [Vardzia](#) cave monastery represents the culmination of spiritual inspiration during the reign of lady King Tamar, Golden age of Georgia.
