### 2 DAY | Tbilisi-Ananuri -Kazbegi - Gudauri

Today we drive on Georgian Military Highway towards the Greater Caucasus mountains. On our way we stop at the Ananuri Architectural Complex, built in 14-17<sup>th</sup> cc. The complex consists of fortifications, churches and residential buildings of local feudals.

From Ananuri drive to the north, pass Gudauri ski-resort and the Juari (Cross) Pass (2395 m), and get to Kazbegi – the administrative center of Khevi province, located at 1700 meters above sea level. From Kazbegi we hike to the mount of Gergeti (approximately a 2.5-hour hike) to visit the Holy Trinity Church of Gergeti, built in the 14<sup>th</sup> century on top of the mountain under the Kazbegi Glacier (5047 m). From Gergeti we continue our tour around Khevi, and drive to the Dariali gorge – an important crossing point of Greater Caucasus mountains. In Dariali we walk along the Terek river and pay a visit to Gueleti waterfalls. In the evening we drive to Gudauri for overnight.

### 3 DAY | Gudauri-Mtskheta-Tbilisi

after breakfast at the hotel we leave for Tbilisi. On our way we visit Mtskheta town – historical capital of early Georgian Kingdom. Mtskheta is known for its two sites that are included in UNESCO World Heritage list: Suetitskhoveli Cathedral of 11<sup>th</sup> c., and Juari monastery of 6<sup>th</sup> c. After visiting Mtskheta and both of these monuments we head to Tbilisi for a city tour. First attraction is the Holy Trinity Cathedral of Tbilisi – one of the tallest Orthodox churches in the world. Next we take a cable car from Rike Park to go up to Narikala Fortress built in the 4<sup>th</sup> century AD that overlooks the

old city. From Narikala we walk down to Legutakhevi canyon and visit a small river and waterfall there. From Legutakhevi, we continue to the old Tbilisi to see the Sulfur Bathhouse District, Shardeni and Erekle II streets with outdoor cafes, art galleries and souvenir shops, and the pedestrian glass Bridge of Peace.
