## Itinerary

### Batumi-Machakhela Gorge

In the morning we pick you up from Batumi hotel and drive to **Batumi-Akhaltsikhe** highway that leads to **Machakhela** gorge.

Make a stop near the confluence of **Chorokhi** and **Machakhela** rivers. Take 1.5 km easy walk to the ruins of **Gvara fortress**, built in the 6th c. The site is perfectly set to observe and control two gorges and two roads passing there. Enjoy beautiful panoramic views on the mountains and rivers.

After visiting Gvara fortress, on the way to the village **Adjarisaghmarti**, make a quick stop at the **Gun monument**, as it marks a gateway to the gorge which was primarily prominent for its 19th c gun-making traditions - manufacturing hand-made **Machakhela guns**.

Cross the river **Squrdidi** and continue the way. Have photo stop at **Tskhemlara** beautiful **arched bridge**, encounter villages Kveda and Zeda **Chkhutuneti**, see the waterfall and **Machakhela ethnographic museum**. It is noteworthy that there are interesting exhibits in the museum, that were characteristic of residents' lives.

Head to the direction of **Chkheri bridge** and **waterfall**. This section of the route goes along the narrow road across the steep slope of the gorge. During the trip, you can see impressive panoramic views over **Machakhela gorge**. From Chkheri Bridge the route goes down the bottom of the gorge, passing through **Chkhutuneti fortress** ruins and ends at the **Qoqoleti arched bridge**.

Return back to the city by the same route.

There are plenty of options to do in [Adjara](#).

Let's be your host again!
