Itinerary

Tbilisi Grand Tour

We pick you up from the hotel at 10:00 AM.

Guide will meet you at the hotel lobby. The Old Town attracts visitors as it represents a crossroad of different cultures. Here, the mosque, the synagogue, Georgian Orthodox, Armenian and Roman Catholic Churches stand harmoniously among the historical residential wooden houses and old districts.

Let's combine easy walk, cable care ride, funicular tram and car tour. Cover distances by private car to reach all main landmarks and walk along the narrow streets of Tbilisi historical district.

Frist, head to **Sameba cathedral** – the huge complex on the left bank on the river [Mtkvari](#). From here we have wonderful scenery of Tbilisi and surrounding mountains. Excursion will take about 30 minutes.

Next stop is **Metekhi plateau** – the place of the first royal residence in Tbilisi. It is the most picturesque stop above the **Metekhi bridge**. Short walk to the **Rike park** and ride up to [Narikala Fortress](#) by the aerial cable car. Now observe the city from the top of the mountain. The narrow walking pass goes downhill to the Botanical street, **Mosque** and to the sulfur bathes – this is **Abanotubani**, the place where the city started.

Sightseeing tour continues to Rustaveli Avenue, Freedom Square, Republic Square and to the lower station of **Mtatsminda funicular**. Eventually get to the top of the Mtatsminda mountain by the tram where Bombora amusement park is located. Relaxing evening walk in the park and enjoy splendid panoramic views – this is the final highlights of the day. As an option, walk to **Mtatsminda pantheon**.

In the evening we drop you off to the hotel.

Please, share your impressions with the world and leave your review below.
